You then have the option of allowing your device to provide your location to the website or you can enter your city, zip code or your street address. The majority of these searchable product databases act like a traditional search engine and don’t require a user registration or login. Search the site using terms such as Bosch owners manual and the models number or generic name of your appliance. However, if you want or need to look elsewhere for your Maytag user manual, you can search the Internet by typing in the appliance name or product number plus the words user manual into your search engine. To find the toll-free number, look on the right-hand side under the “Contact Us” heading on the same page you would search for your manual.Other ResourcesMaytag’s website has a wealth of information under the Service tab, including tutorials, troubleshooting and service scheduling options. Scroll to the middle of the page, and click on “Manuals and Downloads.” On this page, you can search by product number. Then, a list of search results appear similarly to a traditional search engine.Use a Traditional Search EngineIf you’re having difficulty with manufacturer websites, help forums or databases, you can opt for searching the Internet the traditional way. Except, when you bought them, you didn’t think you’d need the user manuals after initially setting them up. Also, can you send me a PDF of the WR400 manual so I can print it? Then, when you’re logged into the website, you can add your products, so anytime you log in, you can navigate easily to the user information that’s related to the product you own. Other reasons to open a My Bosch account include access to discounts on accessories for your appliance, discounts on cleaning products you may need and an offer of a service plan that’s customized to your appliance, according to Bosch.Visit the Nearest Bosch Dealer to Request InformationIf you want to speak to a Bosch representative in person, you can still use the internet to help you find the nearest Bosch dealer. My question...There does not appear to be any lights beneath the 'Print Screen, Scroll Lock, Pause Break Keys'-- Nor beneath the 'Num Lock Key,' or 'Cap Lock' Key.
